This publication is designed to provide accurate and authoritative information regarding the subject matter covered. It is sold with the understanding that the publisher is not engaged in rendering legal, accounting, or other professional services. If legal advice or other expert assistance is required, the services of a competent professional should be sought.

Legal, accounting, and other rules affecting business often change. Before making decisions based on the information you find here or in any publication from any publisher, you should ascertain what changes might have occurred and what changes might be forthcoming. The NCEO's Web site (including the members-only area) and newsletter for members provide regular updates on these changes. If you have any questions or concerns about a particular issue, check with your professional advisor or, if you are an NCEO member, call or email us.
